

Maharani
Bali, Indonesia

Maharani supplies impressive knobs and stylish deco items made of natural stone. With over 30 years of experience as a jeweller, we now make 'Jewellery for the Home'. We create stone items with a soft and delicate look, or with a chunky and rough feel. Our collection includes knobs for furniture and doors, jewellery boxes and decorative items. Maharani touches the senses by its designs and the spirit by respecting fair trade principles.

Export products: knobs for furniture, jewellery boxes, home accessories in stone, metal and other materials.

Export destinations: Europe, USA

Certifications: WFTO membership in process
